FIRE CHIEF RANDY BEHRENS ON EMERGENCY PREPAREDNESS

Fire Chief Behrens (right) recommends that we put together kits with canned food, water, paper products, flashlights, batteries, first aid kits and a blanket (if traveling). Kits should also include prescription medications or a list of your medications. He also spoke about the new Automated Telephone Notification system recently used to notify us of a snow emergency declaration and and related parking restrictions. The system also will be used for boil orders, crimes, and natural disasters. Although initially set up only for land lines, forms are available for adding cell phone numbers to the system and will be given to us later. The speaker is pictured with Rotarian Todd Kuhns who introduced him. (MoDot Reminder: "ICE AND SNOW - TAKE IT SLOW")
