TIM TUCKER, CLUB PRESIDENT 2009-10
ROTARY YEAR IN REVIEW

President Tim outlined various goals he had for our club this year and our accomplishments. Under “Food, Fun, and Fellowship” we even returned to singing some songs! A budget was established for “Celebrate Ray,” and numerous activities have already been carried out by both Kirksville clubs. He outlined accomplishments in all the avenues of service, including community service. The August 1st Duck Dash yielded $4,000 (split with RSVP), and $2,000 to Special Olympics and $1,000 to PolioPlus from May 1st Chicken-Q. Internationally, we contributed not just to PolioPlus but, personally, to "Shelter Box" to Pacific Rim and Shoes for Haiti. We contributed $3,015 to Helping Hands; $250 to Boy Scouts and $375 to Boys State. We obtained a $1500 matching grant for Rotary Park. New sidewalks, sound system, more trees and an amphitheater sun shade for the west side are among the improvements. The Literacy committee added donating books to its reading at Ray Miller Elementary. In addition to great programs, he also mentioned our website, newsletter, Youth Recognition, the Air Festival, H.S. scholarships, RYLA camp, Free Enterprise and Four Way Test Awards, Exchange Student Doriane Pyl, GSE Team from Taiwan, International Dictionary-4-Life Program and Cell Phone Collections (with Rotaract). President Tim thanked all of us for this wonderful opportunity to work with us. He said that next year will be a great year; Ralph is an outstanding leader, as Jeff is also. He said Ray’s year will be our year! President Tim concluded with a slide show of photos taken during his year.
