DISTRICT GOVERNOR JEFF ROMINE VISITS OUR CLUB!

DG Jeff has visited 44 District 6040 clubs since mid-July (34 within 45 minutes of Kansas City). He is impressed by the number and scope of District projects. Jeff conveyed to us the exceptional honor it is for our club to be the home club of the International President, someone who has given 50 years of his life to Rotary. DG Jeff said, of the 530 Districts in the world, it will be 532 years before it is our turn again! His message to us was to give a little more to Rotary this year - money, time (volunteerism), and bringing the gift of Rotary by proposing a new member, perhaps someone different from you since diversity is great. Do it for the children, particularly those in need of clean water and also to combat polio. Carl Chinnery will be speaking at the Foundation dinner about 1942 when he was a year old and polio came through his community. Polio is still in four countries; Ray will be in Angola (one of the four) in December and will therefore miss our Distinguished Service Award dinner. DG Jeff’s final message: BE A BIGGER, BETTER, BOLDER ROTARIAN!

RICKI AND HER WINNINGS! Ricki Trosen (pictured with President Ralph) announced that she applied her winnings from 50-50 drawing and obtained matching points to earn a Paul Harris Fellowship for her son-in-law, Capt. Neal Stark, U.S. Army Special Forces. The funds were designated for the Polio Plus program. Way to go, Ricki!

MEMBERSHIP: Mark Burger said a clever plan entitled "Six for One" will be unveiled next week which seeks to help us achieve our membership goals toward a Presidential Citation.

ROTARY FLOAT 1/1/11 PARADE: We again collected funds this week. Ray will be on the float!

MARCY PALERMO SELECTED AS GSE TEAM MEMBER!

We are happy that our nominee, Marcy Palermo, has been selected to be part of the GSE team going to France in 2011. She is pictured in left photo with District Governor Jeff Romine.

COLLECTIONS TODAY: $66 for 50-50 drawing (no winner) & $73 for Happy Bucks.
