MISSOURI CAREER CENTERS: Business Representative Linda Vestal, from Warrenton, Mo (center), spoke about the services available at its centers for employers and job seekers. The Kirksville center, located at 2105 E. Normal, is one of 43 career centers in the state of Missouri, which help individuals find jobs and also help businesses meet their workforce needs. The Centers provide many services including industry training programs, an on-the-job training program, and assessments for National Career Readiness Certificates, a responsibility of Shari Schenewerk (right), Workplace Development Specialist in Kirksville, who also spoke with us today. For details, contact Ms. Vestal <lana.vestal@ded.mo.gov> or call the Kirksville center 785-2400. Dale Schenewerk also in photo.
