NEMO Heart Health Fundraiser: February 24th is “Go Red Day”. Wear your jeans to work and dance from 8:00 to 10:00 PM at the Kirksville Country Club. Proceeds go to distribute AEDs (defibrillators) in our community. Please see Jim Hughes for more information.

Jim LeBaron introduced Tim Tucker who gave a program on the Polio Plus program. Good progress has been made since the 1980s to eliminate this disease world-wide with over 2 billion children having been immunized! The Kirksville Rotary Club has contributed over $29,000 toward this effort since 1999. Rotary International now has a goal of eliminating wild polio during 2012. Our goal is to fundraise $1,000 during the year towards this effort. How can you help? Giving can be done through the Annual fund, Permanent Fund, or the Polio Plus Fund. See Tim Tucker or President Annette with questions.
