After enjoying hot and cold hors d’oeuvres, mini cupcakes with Rotary blue and gold icing and a donated open bar, PDG Jeff Romine began the program by introducing soon to be past presidents who spoke about accomplishments during their year. Ed Ross then spoke about the history of the 1000 Hills club now in its 25th year. The new presidents of the three clubs were then installed. Thereafter PDG Romine asked 2014-15 board members present to join their respective presidents. The evening concluded with dancing at a charter 1st anniversary celebration by the North Star club. A very nice evening overall!
