**ATUS ROTARACT NEWS**: On May 12, they hosted a program by Rolfe McCoy, DDS, and Assistant District Governor Julie McCoy on the Jamaica Medical/Dental Mission sponsored by the North KC Rotary Club, Rotary International Foundation, and Northminster Presbyterian Church. The mission has a 16 year history of providing basic health care to the 2500 residents of Ocho Rios, Jamaica. Dr. McCoy said that on a typical day, he and one other dentist would see 100 patients and extract 180 teeth. The McCoys plan to make their third mission to Jamaica in February 2016. Pictured (left to right) are Dr. McCoy, incoming Rotaract secretary Christina Bennett, Julie McCoy, Rotaract president Dylan Fulmer, Rotarian Marilyn Romine, Rotaract VP Ben Paul, advisor Melissa Stuart, incoming treasurer Simone Warrack, incoming president Emma Hall, and Rotary Park liaison Chris Torkilsen. **50-50 DRAWING**: Erick Hanson not a winner; the pot grows to $499.00.

**DICTIONARY PROJECT IN SOUTH AFRICA**: Ray Klinginsmith visited there recently and learned that **95,000 dictionaries** have been distributed in this project which our club initially helped fund.

**DUCK DASH, AUGUST 24**: Our new chair of this committee, Joe Vincent, asked for our help today to make this a successful event again this year. He needs 8-10 people to help. Contact him: <jvincent@atsu.edu>.

**LINDA MANNING ON HEALTH INSURANCE IN THE MARKETPLACE**: Linda, a licensed navigator in the Heartland Health Ins. Navigator Program, provides unbiased help and customer support to you in choosing a Health Plan which meets your needs and budget. She spoke about Affordable Health Care advantages including no annual or lifetime limits, cannot be dropped if become ill, and insurance companies must spend 80% of money taken in on health care. This provision has resulted in 8.5 million consumers receiving 1/2 billion dollars in refunds. She said 90% of people without health insurance qualify to get a break on their costs, through discounts and/or tax credits. Missouri citizens who are also U.S. citizens would be able to purchase insurance through the Federally Facilitated Marketplace (FFM), provided they are not incarcerated. The next enrollment period is November 1 through January 31, 2016. Special enrollments are available within 60 days of certain qualifying life events. For more Marketplace information, contact Linda, or Pat Selby, also a licensed navigator, by calling 660-665-8314 or <heartlandnavigators@gmail.com>. The speaker is pictured above with Rotarian Matt Eichor who introduced her.
