PROGRAM
Matt Eichor introduced Debi Boughton, Director of Tourism for Kirksville, who spoke about some near-term summer events in Kirksville. Air Race Classic, a cross-country race of planes piloted by women, will have a Kirksville stop. Most pilots will be stopping at Kirksville from June 23-25. Air Race Classic is an organization dedicated to encouraging and educating current and future women pilots and preserving and promoting the tradition of pioneering women in aviation. Bicycle Across Missouri sponsored by Missouri Life has a scheduled stop in Kirksville on June 25. Cyclists will arrive in Kirksville in the afternoon with an overnight stay. Almost 1,000 participants have registered to date. Debi reminded Rotarians about the various activities associated with the Red, White, and Blue Festival from July 2 through July 4, the Rotary District Conference in Kirksville on October 16-17. She said the Tourism Board is exploring possible sister city status to strengthen international connections. Debi reminded Rotarians that the Tourism Board can help organizations and individuals with events that bring people to our community.

PROMOTE ROTARY
For the next three weeks, you can bring clothing items to Ron Gaber, and he will arrange for The Stitchery to embroider each item with the club name and Rotary wheel for only $5.
