Four Way Test Award

Dana Delaware announced this year’s winner of the Four Way Test Award – Annette Sweet.

Annette, who has worked for Ameren Missouri and its predecessor for more than 30 years, says she became interested in Rotary after being asked to be a host family for the Rotary Youth Exchange. She joined the KV Rotary Club in 2005. She has served on the board, as an officer, and on several committees during her 11 years in Rotary.

Annette thanked the Four Way Test Award Committee and the Club for the honor. She said she has seen first-hand how much good the club does through all its projects, and reminded everyone that our club is an amazing group that gets a lot accomplished each year, thanks to the willingness of members to step-up and get things done.
