**100TH BIRTHDAY COMMITTEE REPORT**

Chair Sandra Fleak said that Presidents Tim Peters and Jacob Condon formed this committee of 13 to plan appropriate ways to celebrate our 100 years of serving our community (as of March 2018). From the suggestions we provided last summer, four basic themes were adopted (1) having a gala celebration; (2) planning and implementing a major centennial project; (3) informing ourselves and our community about Rotary contributions here and throughout the word; and (4) possibly planning a community celebration event. Three of the group leaders presented today, beginning with Ron Gaber - Grand Finale Reception, Banquet and Concert - mark your calendars for March 10, 2018 for this TSU Student Union and Baldwin Hall event. Rhonda Vincent has agreed to perform a concert for us! The planning team’s next meeting is January 30 at 5:30 p.m., NERMC cafeteria, Room 2; Ray Klinginsmith - Community Project - two new buildings are proposed, a Rotary Centennial Pavilion and a building housing four restrooms (See proposal attached to cover email for details.); and ending with Jeff Romine - Public Relations/Information Subcommittee - Jeff is seeking our help. See how you can help in “100 Years of Serving..” attached to cover email. Jeff will also have copies on the table next week.
