The evening began with a 6:00 p.m. reception, followed by a call to order and welcome by President Jacob Condon (left) and an Invocation and Pledge of Allegiance led by Ron Knight. Tim Cason provided music before and during dinner which began at 6:30 p.m. After dinner, Past District Governor Ralph Cupelli introduced our guest speaker, Dr. Sue Thomas, TSU president. In Dr. Thomas’s talk she encouraged the students to avoid perfectionism but to instead strive for excellence. She said not to be afraid to take calculated risks - you don’t know where it could end up! After her talk, Dr. Thomas presented certificates. Each scholar, after introducing his/her parents and telling us about their future plans, was photographed with Dr. Thomas by Tim Barkus, TSU photographer. President Jacob Condon provided history and led us in reciting the Four Way Test. The very nice evening event concluded thereafter.
