THANK YOU TO THE COMMITTEE for the 100th Anniversary Membership Directory distributed today!

PETE DETWEILER is recipient of his sixth Paul Harris Fellowship today! He is pictured with Foundation Chair Jeff Romine (right) who presented the pin.

DUCK DASH CHAIR NEEDED: President Randy Smith said RSVP will not partner with us this year. Jeff Romine and President Randy will be committee members but are not able to chair the activity. If you can be chair, contact Randy <rsmith@truman.edu>. He and John Dungan will speak about the Duck Dash and our Raffle on Area Scene on Friday, March 1 at 9:15 a.m.

ROTARY MINUTE: President Randy said a Rotary pin planted on the moon by Buzz Aldrin represents the greatest distance such a pin traveled - from Chicago to the moon! Also, a distinctive banner of the Rotary Club of Space Center depicting an astronaut was carried by Rotarian Colonel Frank Borman on Apollo VIII Lunar Mission.

COMMUNITY OPPORTUNITIES EXECUTIVE DIRECTOR KATY FINE-NEWMAN: In her introduction, Barbara Smith-Mandell said that Katy Fine-Newman has been executive director of this organization for six years and has worked with the disabled for 20 years. Katy spoke about the Sheltered Workshop here in Kirksville that currently employs 53 disabled individuals. It is one of 86 sheltered workshops in Missouri. They no longer provide snow removal or lawn mowing. Services performed include small parts assembly, car detailing and a recycling program, available to individuals and businesses. She said they pick up at businesses as far away as Edina, La Plata and Lancaster, but individuals must bring their material by their office. She said we should use their services rather than curbside pickup if we want to keep the proceeds in Kirksville. She said their hours of operation are M-F, 8 a.m. to 3 p.m., however, recycle bins are available around the clock in the back of their facility at 1001 S. Osteopathy St. They accept paper, books, magazines, glass and aluminum but no plastics. Funds received from services rendered are supplemented by State and United Way funding. Katy provided a certificate for a free car detailing which Chade Shorten won in a raffle before the 50-50 drawing. The speaker is pictured with President Randy and Barbara Smith-Mandell (center).

50-50 Drawing: Matt Eichor did not pull the ace of spades; pot now up to $270.
